Report description:

Street stalls/kiosks remained under pressure in 2021, as food trucks located at schools and business parks experienced constrained sales given the high frequency of remote working and temporary closure of educational establishments. However, the channel moved closer to recovery in value sales terms and transaction volumes in 2022, driven by greater mobility outside of the home, as all lockdown restrictions were repealed in June. Furthermore, the outdoor nature of street stalls/kiosks provided a...

Euromonitor International's Street Stalls/Kiosks in South Africa report offers a comprehensive guide to the size and shape of the market at a national level. It provides foodservice sales, the number of outlets and the number of transactions by sector, allowing you to identify the foodservice sectors driving growth.
