### **Report description:**

After a difficult first half of the company's financial year, marred by COVID-19 disruptions, Woolworths ended its 2022 financial year with momentum, with like-for-like sales in its flagship Australian food division hitting 5% growth in the June quarter. However, the shadow of inflation loomed large. Food prices across the business rose 4% during the period, and the company is still seeing supplier requests for price increases running at five times normal levels. Sales in the first nine weeks of...

Euromonitor International's Supermarkets in Australia report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
