### **Report description:**

Dishwashing in Australia recorded high single-digit current value growth in 2022, while overall demand remained elevated compared to pre-pandemic levels due to the continuing trend of cooking at home. The ongoing hybrid working arrangements have prolonged consumers' stay-at-home periods, leading them to cook more frequently than pre-pandemic levels, which has increased the demand for dishwashing products. In 2022, despite the lifting of restrictions, many consumers in Australia continued to eat...
