Report description:

Driven by eat-in sales, full-service restaurants experienced drastic declines in 2020 due to the pandemic and social restrictions. During this time, there was a surge in demand for takeaway and home delivery through the channel. With the trend towards healthy and quick food, an increasing number of operators started to offer small prepared dishes that could be taken home or to the office when working moved to hybrid measures the following year, provided that the point of sale was in high-traffic...
