### **Report description:**

Small local grocers remained the smallest grocery retail channel in Finland in 2022. Its significance within grocery retailers has been on a slow decline for a long time, with no signs that this trend will suddenly change. Grocery retailing in Finland is strongly in the hands of a few key players - with more than three quarters of value sales of grocery retailers coming from the two giants, cooperative S Group and stock-listed Kesko, followed by the discounter Lidl and state-owned alcoholic drin...

Euromonitor International's Small Local Grocers in Finland report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
