Report description:

Pet shop and superstore owners experienced a substantial surge in demand for pet accessories, particularly toys, during the pandemic as people had more time to spend with their pets. However, as life gradually returned to normal and prices continue to rise, pet owners are reducing their spending, resulting in a decline in the volume of sales of pet products. Nonetheless, due to persistent inflation, value of sales of pet products continue to increase at a similar rate in 2023, albeit slightly sl...
