Report description:

Home furnishings in India witnessed an increase in current value sales in 2022, partly to rises in inflation and subsequent price increases. Consumers spent on home furnishings to upgrade their homes due to the economic climate. However, while demand for compact fluorescent lamps, incandescent lamps, halogen lamps, and linear fluorescent lamps witnessed a decline, LED lamps saw growth in demand in 2022. Overall home furnishings in India is still expected to grow in current value terms in the for...
