Report description:

Pet products saw a slight downturn in demand during 2020 and 2021, as some low- and mid-income consumers reduced their spending on non-essential items due to the economic impact of the pandemic on their disposable incomes. However, thanks to a successful vaccination campaign there were signs of improvement in the economy in 2022 as tourism picked up and there was an increase in economic activity, all of which boosted demand for pet products. While the country has seen elevated inflation it has n...
