Report description:

Deodorant sprays was the most dynamic category in deodorants in current value terms in 2022 with this format increasingly becoming the preferred option of a growing number of Malaysians. Many brands of deodorant sprays have been repositioning their products as body sprays, presenting them as a more affordable alternative to fragrances. The market saw a constant stream of new launches in this mould in 2022. For example, fashion brands like David Beckham were launched in a variety of scents, inclu...

Euromonitor International's Deodorants in Malaysia report offers a comprehensive guide to the size and shape of the market at a national level.
