Report description:

The inflation crisis has had a significant impact on the fragrance industry, resulting in a notable increase in prices in current terms. This, in turn, led to strong value sales growth in 2022, while volume sales of premium fragrances remained lacklustre. Despite the growth, fragrance value sales were still below pre-COVID-19 levels in 2019. In 2021, the performance of fragrances was only partially positive as consumers prioritised preventive health and personal care products. However, in 2022,...
