Report description:

Men's grooming saw good value growth in 2022; however, this was the result of the strong increases in unit prices. As such, although current retail value sales saw double-digit growth, most product areas saw a decline in retail volume terms. Poor economic conditions exacerbated by high inflation limited consumer spending power, forcing many consumers to focus on essentials. A reduction in formal employment also led to reduced volume demand.?For many Nigerian men, men's grooming remains fairly in...
