Report description:

Consumers these days are becoming increasingly perfectionist, with selected and edited images from social media increasingly encouraging them to aim for the perfect look. One key element of the perfect personal image is having shiny white teeth. In this context, a lot of brands have introduced teeth whitening kits and many consumers have started to purchase these kits as they look to achieve whiter teeth at home instead of going for whitening services at the dentist, which they see as a more exp...

Euromonitor International's Oral Care in Egypt report offers a comprehensive guide to the size and shape of the market at a national level.
