### **Report description:**

Despite being the largest category in skin care, facial care has plenty scope for the introduction of more novelties. The skin care category was driven primarily by novelties and products containing hyaluronic acid and collagen. In skin care, basic moisturisers in the format of boosters, ie products that increase the effectiveness of cosmetics, are gaining popularity. Boosters solve targeted skin problems. They are combined with serum and allow consumers to personalise the care even more to the...
