### **Report description:**

Skin care in Slovakia was less affected than many other categories by the Coronavirus (COVID-19) pandemic. Indeed, the demand for some facial care and hand care products continued to grow during the pandemic for beauty, pampering or treatment and health and wellness reasons. Skin care continued to develop despite economic challenges like high inflation and the energy crisis at the end of the review period. Skin care performed well during the review period in both retail volume and current value...
