### **Report description:**

The war in nearby Ukraine had a significant impact, with the resultant energy crisis leading to soaring inflation and dampening volume sales. As a result, though there was double-digit growth in current value sales of baby and child-specific products in 2022, volume growth was minimal and constant value sales fell slightly. This also led to a small degree of trading down, though parents still looked for quality for their children. One brand that performed well was the private brand Isana from th...
