Report description:

The COVID-19 pandemic demonstrated the importance of engaging in stringent hygiene practices. Although pandemic-related restrictions have been removed and the number of cases radically decreased, hygiene habits have been maintained by some consumers and have not returned to pre-pandemic levels. The terrible impact of the pandemic in the country, its prolonged presence, as well as fears of a fifth wave, added to government campaigns to maintain hygiene measures in the face of possible new epidemi...

Euromonitor International's Bath and Shower in Peru report offers a comprehensive guide to the size and shape of the market at a national level.
