Report description:

In 2022, the beauty and personal care industry in Argentina faced numerous challenges arising from the country's complex economic context. Although the pandemic restrictions were lifted, Argentina's economy continued to grapple with chronic inflation issues. The country has experienced a double-digit inflation rate since 2007, escalating to a staggering triple-digit rate exceeding 100% in 2022. In fact, the inflation rate in 2022 was the highest it had been since 1991 when it reached 172%, accor...

Euromonitor International's Beauty and Personal Care in Argentina report offers a comprehensive guide to the size and shape of the market at a national level.
