### **Report description:**

Depilatories saw unremarkable growth in constant value terms in 2022, continuing the trend of the previous year. Sales were less affected by the pandemic than other categories, such as colour cosmetics, as items such as women's razors and blades are regarded as necessities and as such, tend to be purchased alongside other basic beauty and personal care items in modern grocery outlets. However, the declining frequency of opportunities for social and workplace interaction, as well as international...
