Report description:

While in 2022 Pakistan largely put the disruptions caused by the pandemic behind it, there were other challenges. Massive devaluation of the Pakistani rupee against major world currencies and spiralling double-digit inflation, partly caused by the energy crisis stemming from the war in Ukraine, led to a dismal economic picture. In addition, catastrophic floods left hundreds of thousands in need of emergency aid. That being said, there was modest constant value and volume growth for men's groomin...
