### **Report description:**

Premium beauty and personal care witnessed robust current value growth during 2022 although overall value remained well below pre-pandemic levels. The COVID-19 pandemic had a hash impact on retailers with beauty specialist retailers' stores closed for long periods. During 2021, the partial re-opening of beauty specialist stores and hygiene restrictions led to a slow recovery, since this channel relies on product sampling and trials at point of sale. With pandemic restrictions fully relaxed in 20...
