- Multiple User License (Global) €2475.00

### **Report description:**

Skin care is an increasingly interesting category for a growing number of Tunisian companies. This category offers potential for growth as consumers are more aware of the importance of taking proper care of their skin, for beauty and health reasons, particularly given the renewed interest in health and wellness during the pandemic. Consumers are also becoming more familiar with skin care products and are interested in new product developments. Local players Nihel and SATEM are trying to compete...

Euromonitor International's Skin Care in Tunisia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.
