### **Report description:**

Demand for sun care rebounded in 2022 as holiday travel resumed in the country alongside the return of international travel. Sun protection is not deemed a real necessity by Algerians, but manufacturers are helping to drive awareness of the importance of protecting the skin from UVA/UVB rays. Sun care has seen a gradual recovery in volume sales since 2021, after recovering from the decline experienced in 2020 when consumers were in home seclusion and had little need for sun care products. As the...
