### **Report description:**

Sun care recorded another positive sales performance during 2022 as category continued to announce back from the seven year sales declines recorded at the peak of the COVID-19 pandemic during 2020. However, it should be noted that there is still a long way to go before category sales return to pre-pandemic levels. The main reason for the buoyant growth recorded in the category during 2022 was the removal of social distancing restrictions as the risk of coming into contact with the COVID-19 virus...
