Report description:

Sun care in New Zealand continues to grow in 2022, benefitting from rising consumer awareness on the importance of sun protection. Spending time outdoors continues to be a key part of new Zealanders' lifestyle, and more consumers are becoming aware of the negative impacts of neglecting sun protection. Consumers are becoming more aware that long exposure to ultraviolet radiation from the sun can not only cause sunburn and premature ageing, but will also increase the risk of skin cancer, the most...
