### **Report description:**

Sun care recorded a very strong performance in volume and value sales terms in 2022 as the category continues to recover from the dramatic sales decline registered at the peak of the COVID-19 pandemic in 2020. However, it should be noted that volume sales have not yet returned to pre-pandemic levels as the adverse economic situation and high inflation has put pressure on consumer spending in Romania as well as in the various other European countries that comprise the core source territories for...
