Report description:

In 2022, sun care's growth kept pace with consumer travel developments. During the COVID-19 pandemic, consumers were greatly restricted in their ability to travel, particularly to foreign destinations. Many people decided to spend their holidays in the Netherlands, while domestic trips were also restricted at times. In 2022, many restrictions were lifted, and consumers began travelling again. This was good news for sun care, which had suffered greatly from a lack of tourism. Despite the cost of...
