### **Report description:**

In 2022, peanuts were the most consumed nuts in the country, with higher total volume sales than traditional nuts such as almonds and hazelnuts. These nuts are known for their easy eating, as after removing the shells, if still present, they do not usually need further preparation before consumption. Eaten mostly as a simple snack, but also increasingly used as a cooking ingredient, or to make peanut butter or spreads, they are popular amongst a growing number of vegetarians and vegans in the co...
