### **Report description:**

Oral care derived benefits from increased consumer awareness and interest in oral care, in line with the health and hygiene trend in the wake of the Coronavirus (COVID-19) pandemic in Austria. The demand for oral care products was on the rise in 2022, with an overall, if slight, increase in retail volume sales, albeit following two years of small declines. It should be noted that retail volume growth performances varied within oral care, with, for example, mouthwashes/dental rinses, dental floss...
