### **Report description:**

As Mexican consumers continue to move beyond the pandemic, there are shifts in consumer habits regarding pet care. However, the emotional bonds created between owners and their pets during the pandemic remains strong, further supporting the trend towards transferring wellness care and health practices that consumers seek for themselves to their pets. These tendencies continue to manifest themselves in the increasing interest in responsible pet ownership and greater awareness of the importance of...

Euromonitor International's Pet Care in Mexico report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth.
