### **Report description:**

Home furnishings declined in both current value terms and in value terms at constant 2022 prices in 2022. In addition, sales were lower by both measures in 2022 compared with before the pandemic started, in 2019. After the pandemic hit, Japanese consumers became conscious about their spending habits, and focused mainly on necessities such as medicines and fresh food. The category reached maturity in 2022, as the majority of consumers had already bought items such as beds, sofa beds and mattresses...
