United Kingdom (UK) Retail Lending Market Summary, Competitive Analysis and Forecast to 2027

Summary

Retail Lending in the United Kingdom industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume 2017-22, and forecast to 2027). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

- This retail lending market profile covers the mortgage and consumer credit market.
- The UK retail lending market had total balances outstanding of \$2,172.5 billion in 2022, representing a compound annual growth rate (CAGR) of 3.2% between 2017 and 2022.
- The mortgage credit segment accounted for market's the largest proportion in 2022, with total balances outstanding of \$1,995.8 billion, equivalent to 91.9% of the market's overall value.
- In 2022, the market recorded moderate growth, but it was slightly less than in 2021. This is attributed to relatively low loan affordability stretched by a combination of higher rates and house prices, with the average term for a first-time buyer loan reaching around 31 years.
