Report description:

Following the trend seen across alcoholic drinks in 2022, the performance of beer was highly polarised. Indeed, following two consecutive years of strong growth through the off-trade channel, off-trade sales declined in 2022. This was mostly due to a shift in sales towards the on-trade channel which continued to see a strong recovery as COVID-19 restrictions were lifted. Sales were especially strong through the on-trade during the spring and summer, with beer consumption soaring and almost fully...
