Report description:

The excise tax on other tobacco products was increased as of July 01, 2022, while there was also an increase on April 01, 2021. With rising inflations impacting consumers' purchasing habits, this increase in unit prices during a time of heightened costs for essential goods put the landscape under pressure. A further tax increase was seen on January 01, 2023, increasing prices further. Despite these increases, these products remain relatively cheap compared to cigarettes. The price of popular cig...
