Report description:

In 2022, cigars and cigarillos in South Korea saw significant growth. Increased consumer interest in cigars since the pandemic was the main factor supporting growth. According to local keyword search statistics from Naver, consumer searches for "getting into cigars" and "cigar bars" increased by about 200% during the period 2019-2022. The rising trend of small luxury, referring to something that is more expensive than an everyday item, but not extremely expensive, was considered the driver behind...
