Report description:

Savoury snacks was one of the most severely affected categories by the supply chain crisis in 2022. The rising production costs due to the energy crisis, labour shortages, and the increasing price of raw materials across the entire supply chain led to double-digit price increases in the category, which, in combination with the reduced purchasing power of consumers, translated into significant retail volume sales losses. Salty snacks and savoury biscuits were particularly hit by inflationary pres...

Euromonitor International's Savoury Snacks in United Kingdom report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
