Report description:

In 2022, there was a remarkable surge in the sales of closed system single-use devices. Glu Cloud, which was the first brand to venture into this category, managed to maintain its position in this nascent category in 2022. This has been made possible through the brand's extensive distribution network which includes approximately 35 company-owned stores - mostly kiosks located in shopping centres - retail e-commerce, and a presence in leading chains of convenience stores such as OXXO.

Euromonitor International's Smokeless Tobacco, E-Vapour Products and Heated Tobacco in Colombia report offers a comprehensive guide to the size and shape of the market at a national level.
