Report description:

British American Tobacco (South Africa) Ltd and Philip Morris South Africa (Pty) Ltd are among the companies pioneering e-vapour and heated tobacco products in the South African tobacco market. Philip Morris South Africa is targeting a 50:50% sales share split between cigarettes and electronic devices by 2025, driven by its Iqos device, while British American Tobacco's Vuse is now expected to reach profitability earlier than expected in 2024. This signals increasingly strong competition for trad...
