Report description:

Sugar confectionery is set to see growth in retail current value terms in 2023, but a decline in retail volume terms. The increase in retail current value terms is mainly due to higher unit prices, as companies such as Kanro, Meiji, Ezaki Glico, and Morinaga & Co, are raising the prices of their sugar confectionery products due to the rising costs of raw materials and energy. Many of the price increases were implemented between February and April 2023, resulting in higher unit prices and driving...
