### **Report description:**

In 2022, alcoholic drinks recovered from the COVID-19 pandemic in line with restrictions easing, which has had numerous benefits for on-trade sales. However, the industry overall now faces a new set of challenges due to global inflation which is forcing many consumers to economise. Likewise, the country's political unrest continues, following the military coup in 2021, which is naturally impacting all industries. Additionally, local consumers continue with their boycott of military-affiliated br...
