### **Report description:**

It was a negative year for beer in the Dominican Republic in 2022, with a significant decline in volume sales. The war in Ukraine had a negative impact, with the resultant energy crisis leading to high inflation and dampening volume sales and also leading to an overall decline in constant value sales, though current value sales increased slightly. That being said, the picture was much more positive through on-trade channels. With pandemic restrictions removed, consumers socialised once again thr...
