Report description:

Off-trade volume sales of cider/perry declined in 2022 due to the resumption of cross-border trade and international travel, as well as the impact of high inflation and the strong increase in unit prices. The shift towards on-trade also had an adverse effect on sales through off-trade outlets during the year, with on-trade sales seeing a strong recovery in 2022. The overlap of the category's consumer base with the strongly expanding RTDs category is also acting as a constraint on the development...
