Report description:

In 2022, retail sales of depilatories saw an improved performance in current value terms compared with 2021. This was partly due to inflationary pressures, which increased unit prices and drove growth. At the same time, retail volume sales saw a better performance than in 2021, due to the easing of pandemic-related restrictions, which led consumers in Germany to spend more time outside the home. Nevertheless, volume sales continued to decline in 2022, just at a slower rate. The demand for more p...
