Report description:

Impulse ice cream continues to bounce back after the slump it experienced during the pandemic. With more people on the streets of Ecuador, single-portion consumption has managed to recover. Moreover, there were still limitations in 2022 that affected consumption, such as the spike in COVID-19 cases with the Omicron variant or the national strike in June, during which citizens had to stay longer at home. Without these factors, 2023 is enjoying slightly stronger retail volume growth compared to 20...
