Report description:

RTDs saw a return to growth in total volume terms in 2022. This growth was driven by innovations and new product launches in the market alongside the lifting of COVID-19 restrictions and the return to more active social lives, with socialising being key to sales of RTDs. While growth was mainly fuelled by a recovery in on-trade demand, sales were also supported by RTDs seeing more shelf space in retailers, as more brands competed for consumer attention. RTDs have become increasingly popular among...
