Report description:

In 2022, brand leader Smirnoff Ice was unavailable for some periods of the year in the off-trade channels, including supermarkets and hypermarkets, due to import issues. This problematic situation created an important opportunity for other RTDs to make gains in the off-trade. Smirnoff Ice is often referred to as a 'girly' drink as it is heavily consumed by women. This attitude has been present in Tunisia for many years as Tunisian women prefer a sweet alcoholic drink with a low level of alcohol.
