Report description:

Retail volume growth of savoury snacks is improving in 2023, following a rather lacklustre performance in 2022. The category confronted significant challenges in 2022, not least because of the war in Ukraine, which led to a slowdown in retail volume sales. In the first half of 2022, significant changes and restructuring was observed in the competitive landscape as major players focused on retaining their retail value share, while also competing to acquire ground from the Ukrainian brands that ha...
