### **Report description:**

In 2022, the tobacco industry in Thailand was seeing some recovery in demand. The industry faced challenges during the COVID-19 pandemic due to government measures aimed at reducing infection rates. These restrictions, including closures, social distancing, and national lockdowns, affected all channels, including foodservice, leading to a decrease in the overall consumption of tobacco products. The lifting of social activity restrictions meant that people were spending more time outside, increas...
