Market Overview:

The Uganda mobile money market size reached US\$ 77.6 Billion in 2022. Looking forward, IMARC Group expects the market to reach US\$ 467.7 Billion by 2028, exhibiting a growth rate (CAGR) of 33.1% during 2023-2028.

Mobile money adoption is growing at a strong pace in Uganda. In an underdeveloped financial infrastructure in the country with a large number of people having no formal bank account, the mobile money market in Uganda leverages the ubiquity of mobile phones and the convenience offered by the service to the consumers. Mobile money facilitates faster money transfer, safe and secure transaction, affordability and cross border money transfer. Increasing internet penetration in the country has also supported the growth of the market. Mobile money in Uganda has overtaken cash pick-up and bank deposits as the favored method to receive money. Moreover, increasing awareness, urbanization and ever-changing technology has further encouraged the adoption of mobile money services in the country. The ease of using an application on mobile phones for making a transaction have maUSSD
