Report description:

Savoury snacks is expected to see retail volume sales stagnate in 2023 due to the negative impact of price inflation, which is forcing consumers to rethink purchasing decisions. As in 2022 when inflation soared, manufacturers continue to apply heavy promotions on products in order to keep consumers interested. Two-for-one price promotions and heavy discounts are common for the major brands Estrella and Lay's, with these strategies frequently deployed to drive sales.
