### **Report description:**

Savoury snacks are expected to register healthy constant value growth and more modest volume growth in 2023. Those savoury snacks with a healthier positioning also register higher volume growth, with nuts, seeds and trail mixes registering the highest value and volume growth. Potato chips continue to be the largest product area in terms of volume sales, but register slight volume decline, as the product reaches maturity. On the hand, pretzels continue to be popular and register healthy volume gr...
